# Terms and Conditions

## General

The undersigned is responsible for the operation, care, maintenance and safety of the equipment during the rental period. Any personnel operating the equipment must be trained. Please review the operating instructions included with the equipment before operating. Follow all start-up, operating, safety and shutdown procedures as outlined in the operating manual.

## Damage, Loss, or Theft

The undersigned is responsible for damage, loss, or theft of the equipment during the rental period. Identification of any possible damage is subject to inspection by U.S. VACUUM personnel. The undersigned is responsible for payment of reasonable costs to repair or replace the equipment due to loss, theft or damage.

## Service and Repairs

The undersigned is not authorized to perform repairs or maintenance on the equipment. All repairs or maintenance must be performed by or under direction of U.S. VACUUM personnel.

## Excessive Wear and Tear or Equipment Abuse

When operated properly the equipment should experience minimal wear and tear during the rental period. If it is determined that upon receipt and inspection of the returned equipment there has been excessive wear and tear or abuse the customer shall be charged for repair. This includes but not limited to contamination of the equipment by chemicals, water, or excess particles, running the equipment without the proper or amount of lubricant, or failure to drain water from the pump and/or water jacket to prevent freezing.

## Transportation, Storage, and Shipment

The equipment shall be packaged to prevent damage due to shock, excess vibration, and weather during storage, transportation, or shipment. ALL shipping charges (inbound & outbound) are the responsibility of the lessee and are exclusive of the rental rate charged.

## Pump Application

All rental vacuum pumps must be approved by U.S. VACUUM engineering department as to the scope, use and application of the vacuum pump for the particular application. Use of rental vacuum pumps for applications other than intended can result in damage to the pump and injury to surrounding personnel. **Unless otherwise noted (in writing), ALL rental vacuum pumps are to be used for pumping AIR only. No Explosive, Flammable or corrosive gases /vapors/fumes shall be exposed to the pump directly or indirectly.**

## Pump Purchase

ALL rental fees incurred during the rental period indicated on this form will apply towards the purchase of rental pump if pump is purchased before unit has been returned to U.S. Vacuum Pumps LLC .

## Rental Charges

**Rental fees will be charged/invoiced at the time of shipment for the full rental amount + shipping (if applicable) in accordance with the rental time period on this contract. Additional rental charges will be automatically accessed after the initial rental period has expired if the rental equipment has not been returned before the expiration of the rental contract.**
